

# Making a better life for children

As a part of our 2011 responsible business activities, we wish to support schools in Petchburi by providing a better education and building facilities for the kids in need.

Help us on bringing a brighter future for these children by simply purchase a “Going Green” handy bag at only THB 200.

For more information, please contact:  
02 263 5000 or email at
